EDUCATION

B.E.inInformation Technology
PG Moze College Of Engineering

📅 09/2021   05/2025   📍 Pune, Maharashtra

Higher Secondary (10+2) in Science (PCB)
BL Indo Anglian Public School

📅 04/2019   05/2022   📍 Aurangabad , Bihar

Secondary Education(10th)
Sun Beam Public School

📅 05/2017   05/2018   📍 Dehri On Sone , Bihar

SKILLS

HTML	CSS	Javascript	React Hooks	Git	Github
React Router	react.js	Redux	Responsive Web	Rest API	
Appwrite	tailwind css	Bootstrap	VS Code		

KEY ACHIEVEMENTS

Web Page Development
Developed 20 responsive web pages during internship.

Loading Speed Optimization
Reduced page load time by 30% through optimization.

Bug Resolution
Resolved 50 bugs, significantly improving code quality.

PROJECTS

VirtualCampus Connect
📅 01/2025 Present

Virtual Campus Connect project.
- Enables students to connect, communicate, and collaborate with direct messaging and group chats.
- Marketplace where students can buy, sell, or exchange books, gadgets, and academic resources.
- AI-powered chatbot that answers FAQs about campus activities, facilities, and processes.
- Allows students and faculty to upload/access study materials and lecture notes.
- Facilitated topic-based chatrooms for academic discussions and collaborative learning

Employee Management System
📅 01/2024 12/2024

Employee Management System project.
- Developed a fully functional Employee Management System using React.js and localStorage for data persistence.
- Built a dynamic UI with persistent data storage.
- Enabled adding, editing, deleting, and viewing employees.
- Used HTML, CSS, and React Hooks for a responsive experience.
- Implemented navigation and ensured proper data handling.

E-commerce Website
📅 01/2023 12/2023

E-commerce website project.
- Built a responsive E-commerce website using React, Tailwind CSS, and JavaScript.
- Implemented dynamic product filtering for improved user experience.
- Optimized UI and performance using Tailwind CSS for faster load times.
- Utilized React state management for cart functionality, search, and real-time updates.

CODING PLATFORMS

- Solved 100+ problems on LeetCode.
- Learned and built basic projects on freeCodeCamp.org
- Solved some problems on GeeksforGeeks.org

CERTIFICATIONS

- UI Developer Internship Certificate – Voicetician Technology, April 2024
- HTML & CSS – Certification Course for Beginners from Udemy
- Certificate of Completion for HTML Training from the Spoken Tutorial Project at IIT Bombay
- Certificate of Completion for Learn JavaScript – For Beginners from Udemy
